Dear Ehud - thank you very much for your introduction to Philipp.

Dear Philipp - good to hear from you and thank you for the attached document on GCG. Unfortunately as this is a relatively short trip to Frankfurt (I arrive early morning and will be departing late afternoon), I am unable to be in Munich on this occasion. I look forward to seeing you on my next trip to Germany.

Best Regards
Chong lee

Dear Chong Lee,
given the importance of your visit, we would like to be present with two founding partners of the firm. Would it be possible to meet in Munich (even for dinner) - unfortunately both cannot make it to FFM on Monday. Also this way you could examine our operations, a quite prominent location in center of town and other senior members of the organization.

Att. pls. find the confidential document we prepared for you about GCG's tailored projects with its financial and strategic benefits generated exclusively for Temasek and Singapore.

Looking forward to hearing your feedback
and hopefully see you on Monday,
with kind regards also from Ehud Barak,
Philipp Schoeller & Dr. Christoph Bulfon
